Plant Sale and Boutique Thank You

Thank you to all the parents and children who volunteered for the plant sale.
Your time was very much appreciated.

The Sale was a huge success!!!
The 5th graders will have an awesome graduation!

Very special thanks to Lily DiLeo, Joanne Wilder and Ginny.
Without their dedication and HARD WORK, this truly could not have been possible.

I hope your mothers, grandmothers and aunts
enjoyed their Mother's Day plants and gift items.

Thank you all once again.
Happy gardening,
Donna

Notes from Nurse Nora

It is that time of year-- beginning to transition from this current school year to the summer, and maybe even thinking about next year. Some of you are battling the pollen to keep your children feeling their best. Over the next few months many students see their pediatricians for their annual exam. Blank physical exam forms are always available in the Lucite container affixed to the front door of the health office.

New York State regulation is as follows: All new students entering a New Rochelle school **AND** all students entering grades kindergarten, 2nd and 4th are **REQUIRED** to submit a recent medical exam form on or before starting school in September. I am already receiving updated physicals. My recommendation is that you give me a copy of the medical exam report every year so that your child's health chart is current and accurate. In my experience it is best to make a copy and bring or mail to school as soon as you complete the exam. Be sure you, the parent, and the pediatrician, sign the second side of the form to permit the school nurse to administer OTC medications. On the envelope write "Nurse Nora." If you choose to mail the forms write: Nora Klion-Wolloch and the school's address. It will be placed in my mailbox.

In addition, if your child requires medication either daily or PRN, you and the pediatrician will need to sign a medication administration form that I have in my office. The other forms available are a dental certificate card and an ophthalmologist report.

And remember, if your child is diagnosed with strep you must call the school so the class can be notified.
